Committee which was constituted vide resolution no.4 of the Executive Council dated 16.11.2017, regarding framing of rules and standards for issuing affiliation forms for affiliation of LL.M. course. Committee submitted its report on 11.01.2019 in which 19 points were submitted. Point no.1 was related with the condition of having NAAC accreditation. Following Colleges have submitted their application for seeking relaxation in this condition. Names of the Colleges who submitted their application are as follows:-

1. Maheshwaram College of Education & Law Management.
2. Shri Krishna College of Law Saharanpur

They all have requested some relaxation in condition no.1. Colleges mentioned at serial no.5, 6&7 have also submitted evidences regarding initiation for inspection of NAAC.

After considering the facts and other various issues this committee reached to the following conclusion.

Although it is mandatory to have NAAC accreditation with excellent grade yet Colleges may be allowed to obtain affiliation form only for temporary affiliation and it will be mandatory for all colleges to obtain NAAC accreditation with required Grade within a period of Two Years from the date of Temporary affiliation. It shall not be out of place to mention that Permanent affiliation will not be granted to any college who fails to obtain such accreditation with excellent grade. Even the colleges who have been given temporary affiliation earlier will also be governed by this condition, and such colleges should be notified to do the needful. (Failing to comply with this condition their affiliation may be cancelled ).

Further this Committee is of the view that this relaxation is given only to the colleges who applied before 12.01.2019 because the rules and standards for LL.M were approved on this date.

All other conditions mentioned in the report dated 11.01.2019 shall remain same.
